

CMS **Financial** EST. 2004
An **CMA Regulated Firm**

Award-Winning CMA Regulated Firm
22 Years of Global Trading Excellence

About CMS

CMS Financial is an established financial services firm, internationally recognised and award-winning, with a strong presence in global financial markets.

We provide institutional-grade access to a diversified range of multi-asset financial instruments, including forex, commodities, and indices, within a secure, transparent, and professionally governed trading environment designed to meet the standards of modern financial markets.

A large, stylized globe is centered in the background of the right-hand text area. The globe is rendered in a light grey color with a network of orange lines and dots overlaid on it, representing global connectivity. The text is positioned in front of the globe.

A proud member of the **Dubai Gold & Commodities Exchange (DGCX)** since 2007, CMS Financial brings over 22 years of experience in the financial markets, combining deep industry expertise with a strong regional and international footprint.

Licensed and regulated under **CMA Category 1 & Category 5**, we operate to the highest standards of regulation, transparency, and client protection.

Mission & Vision

At CMS Financial, our core values revolve around people – our clients, partners, and team.

We are committed to delivering a superior trading experience built on trust, transparency, and personalized service.

With decades of industry expertise, we prioritize understanding and supporting our clients' needs, ensuring their success and satisfaction remain at the heart of everything we do.

Our mission is to lead the future of trading through innovation, built on a legacy of trust.

By investing heavily in advanced technology, platform performance, and trader education.

CMS Financial delivers reliable, intelligent, and forward-thinking solutions for global markets.

My CMS Hub

My CMS Hub integrates everything you need into one convenient platform. It offers seamless onboarding, funding, trading tools, and a robust dashboard that provides effortless access to technical analysis and our learning academy—all designed for your convenience.

MARKETS NEVER SLEEP®

Trade up with CMS Financial

Enhance your trading experience with Trading Central. As a CMS client, you get full access to its suite of professional tools, advanced indicators, and expert research—at no additional cost and with no minimum deposit.

Meet FIBI®

FIBI® is an advanced technical analysis tool designed to help traders identify potential market opportunities with precision. Powered by Trading Central, it provides clear visual insights and actionable signals, allowing traders to better understand price movements and market trends. Improve your trading strategy through powerful technical analysis.

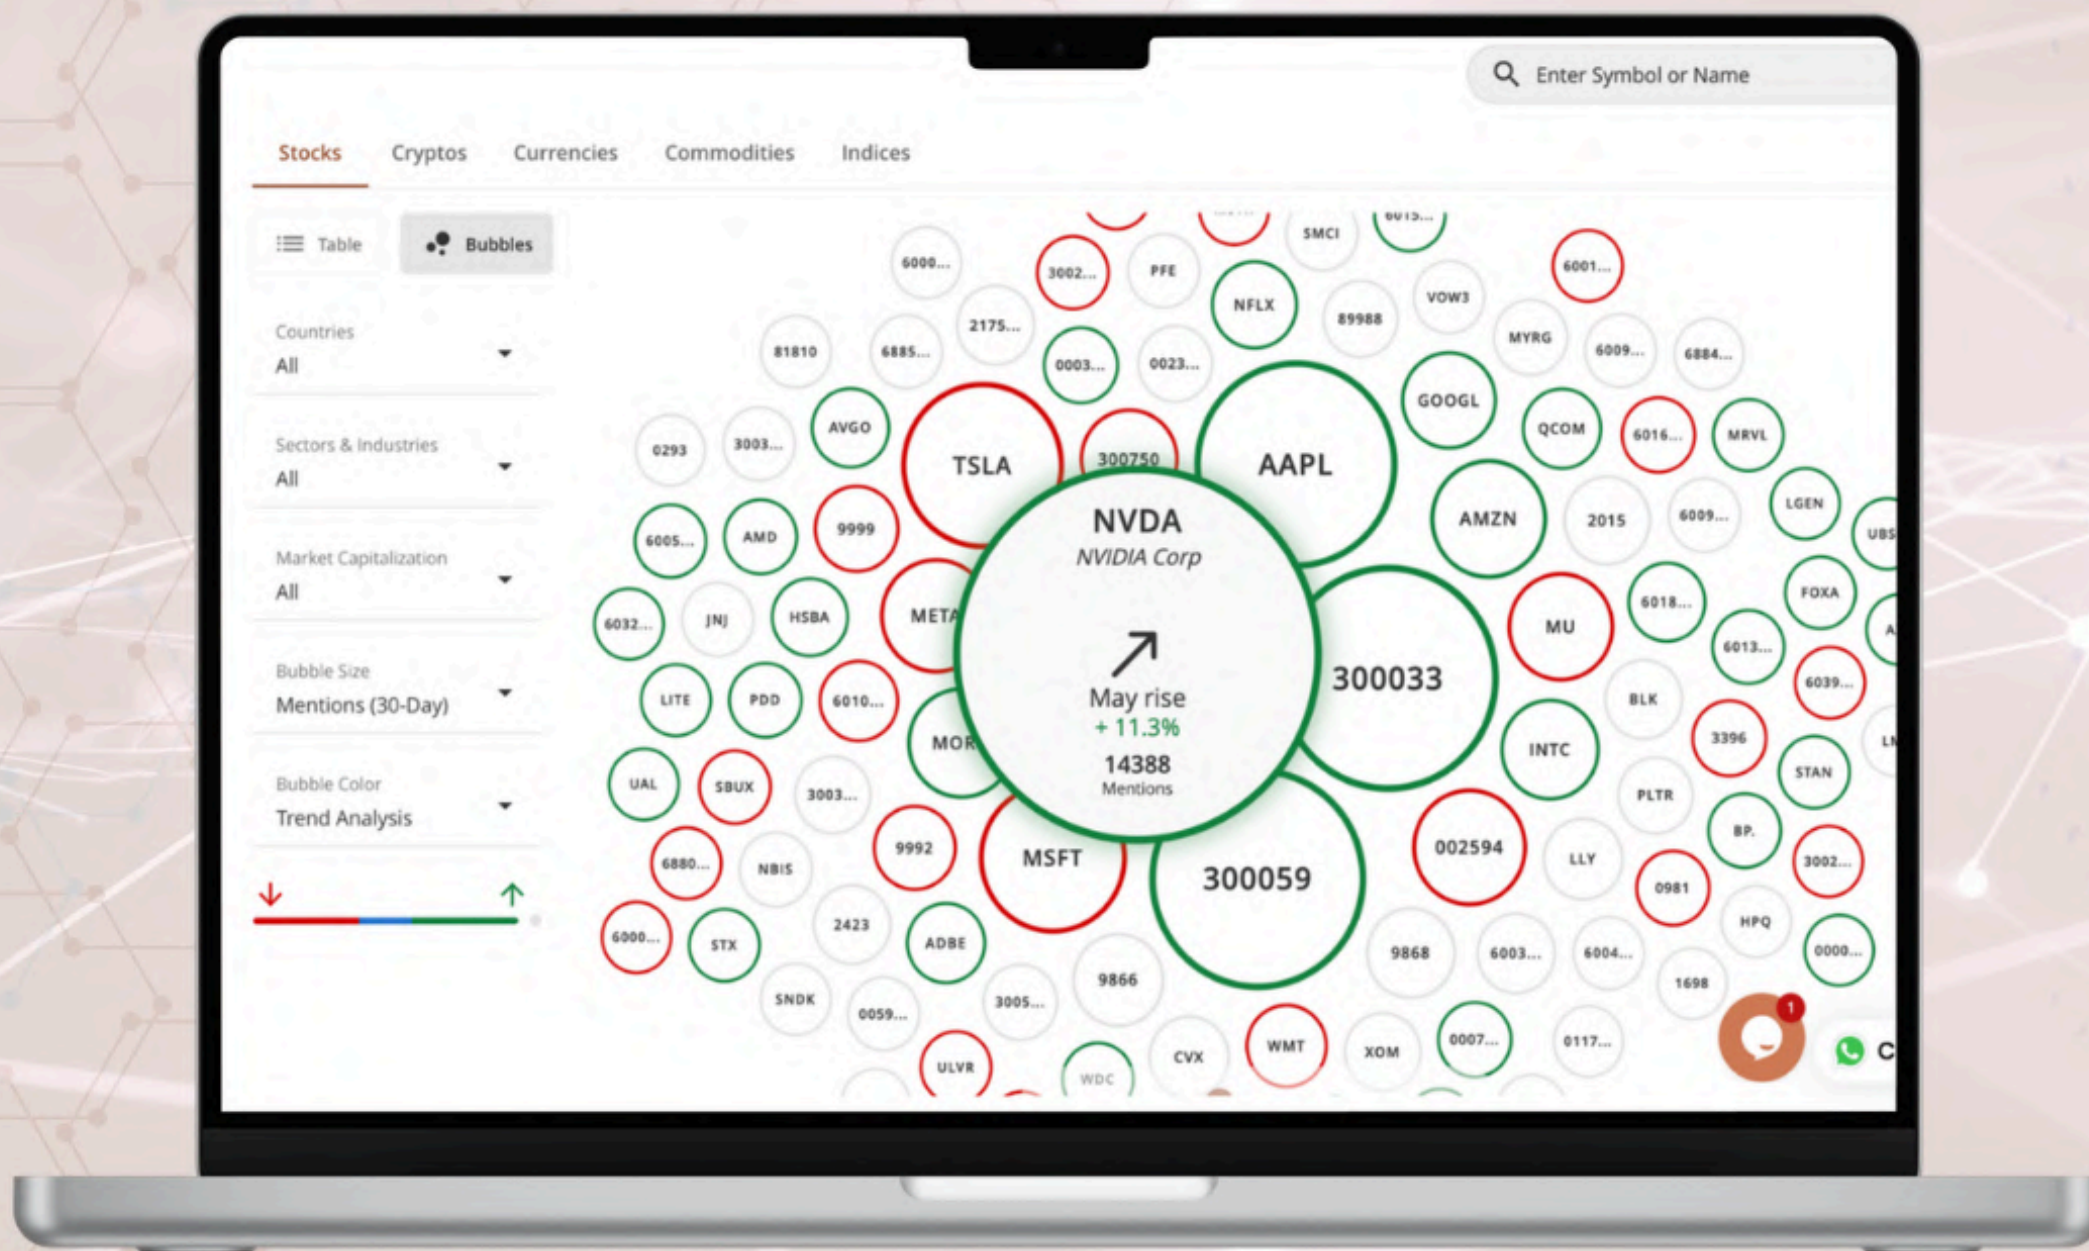

MARKETS NEVER SLEEP®

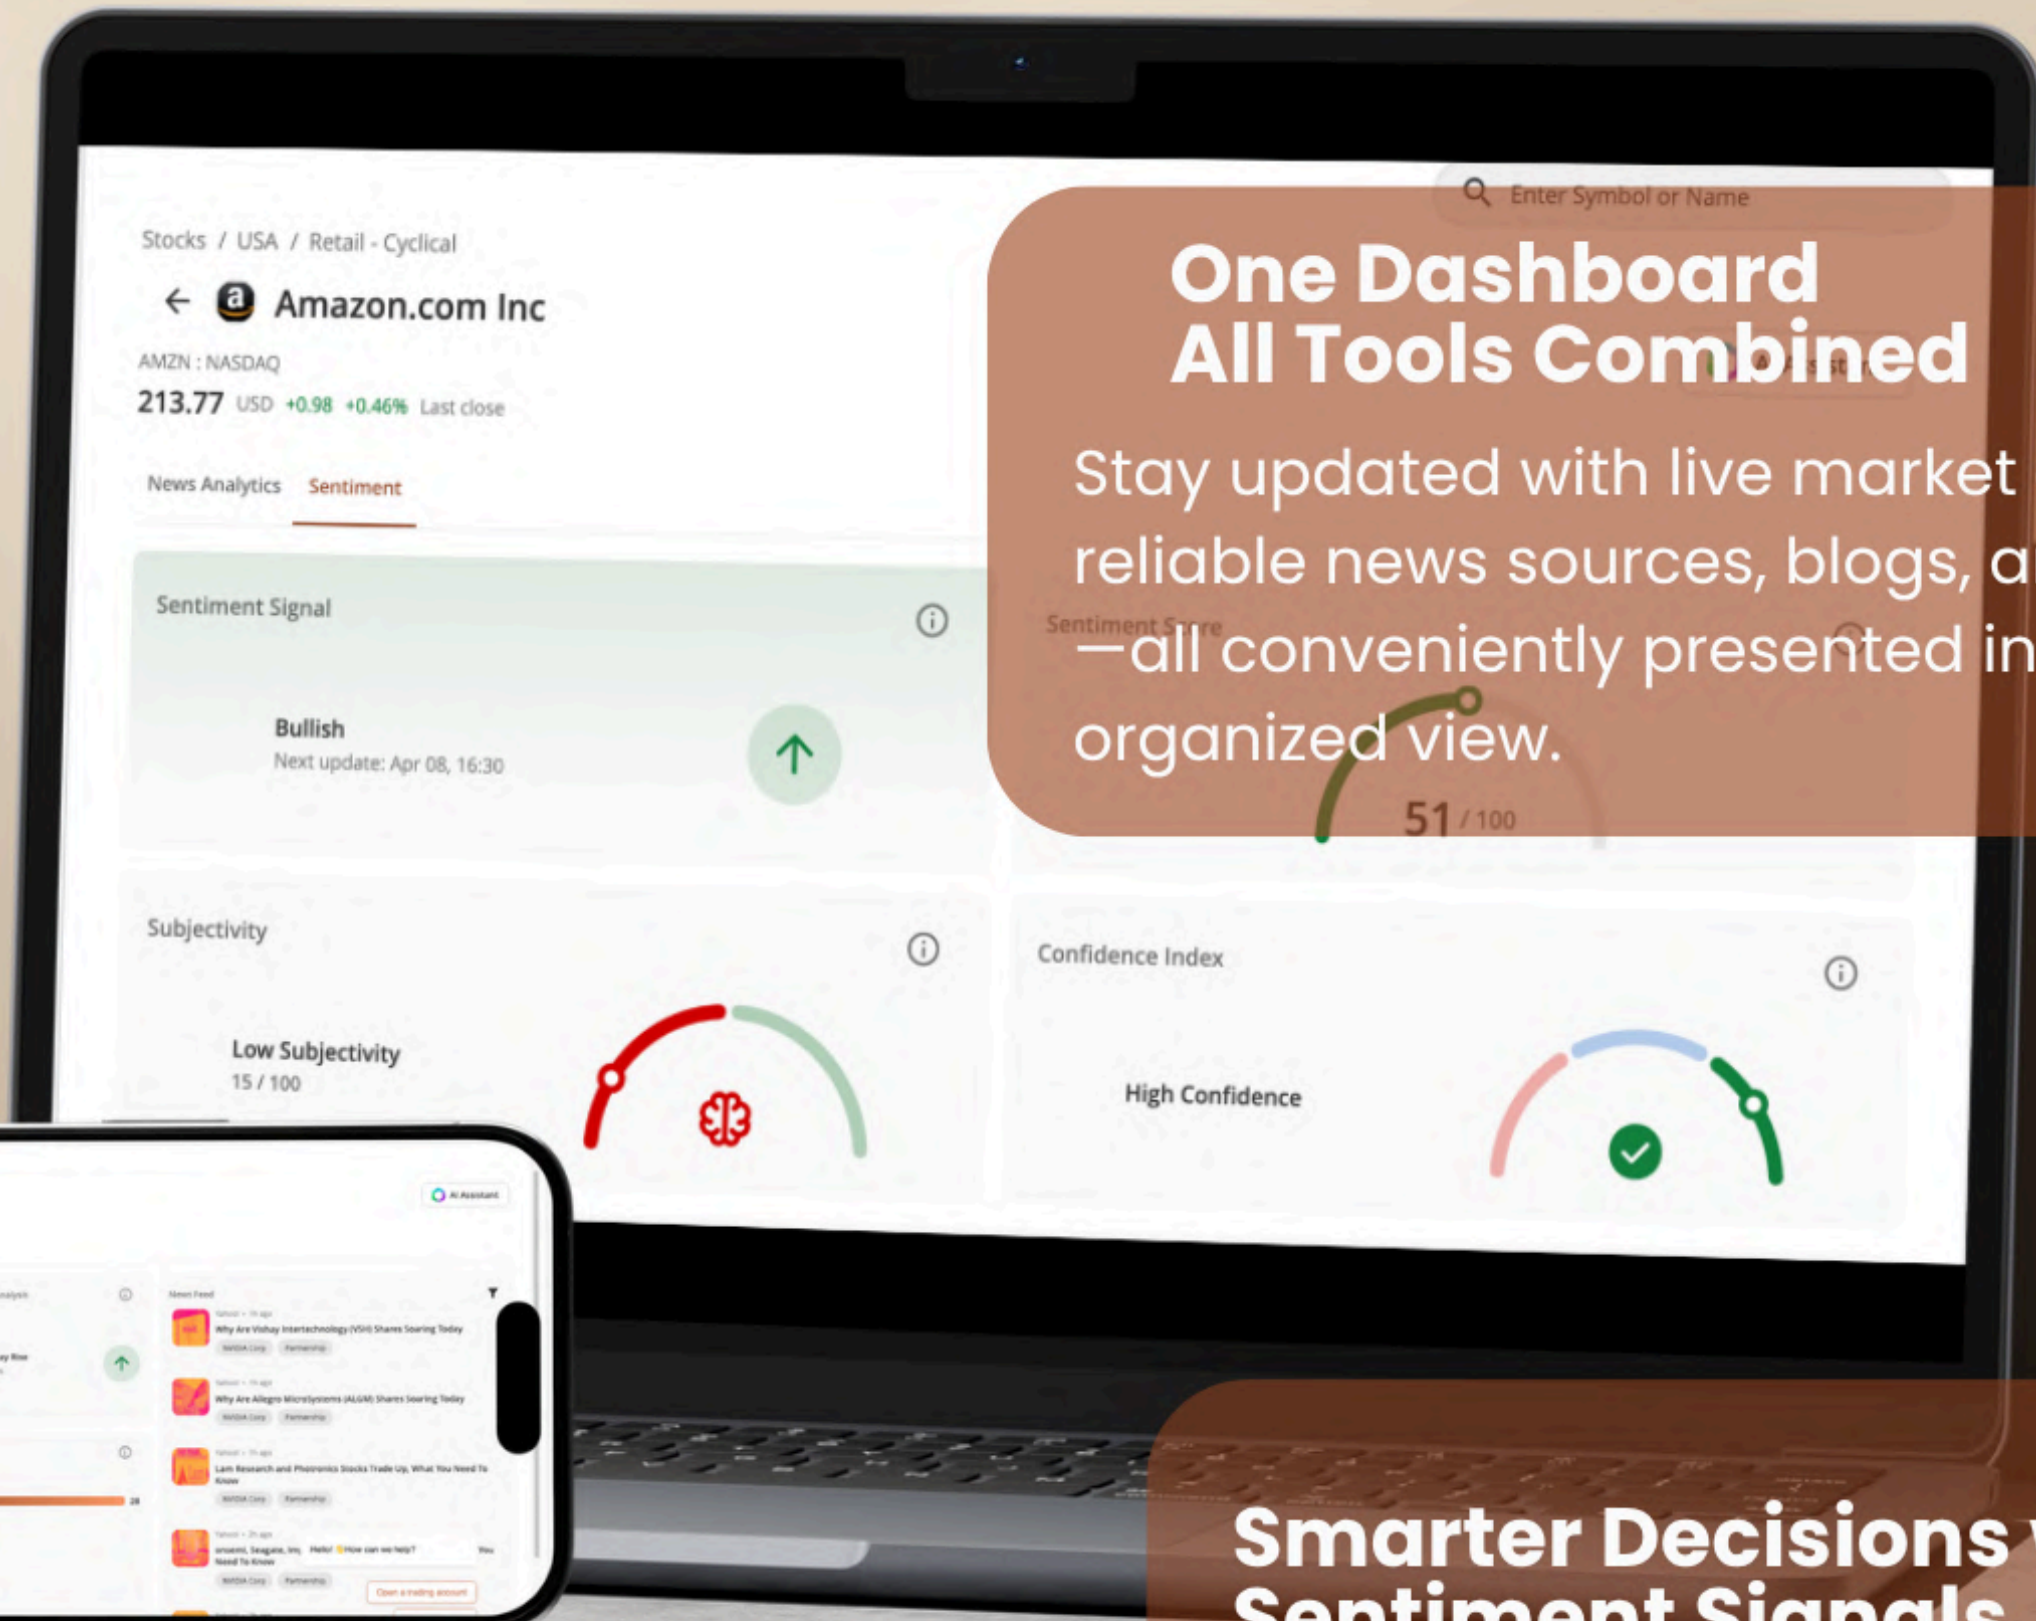

AI-Powered Market Awareness

Spot major opportunities fast. MarketBuzz® scans global news and highlights stories that truly move the markets.

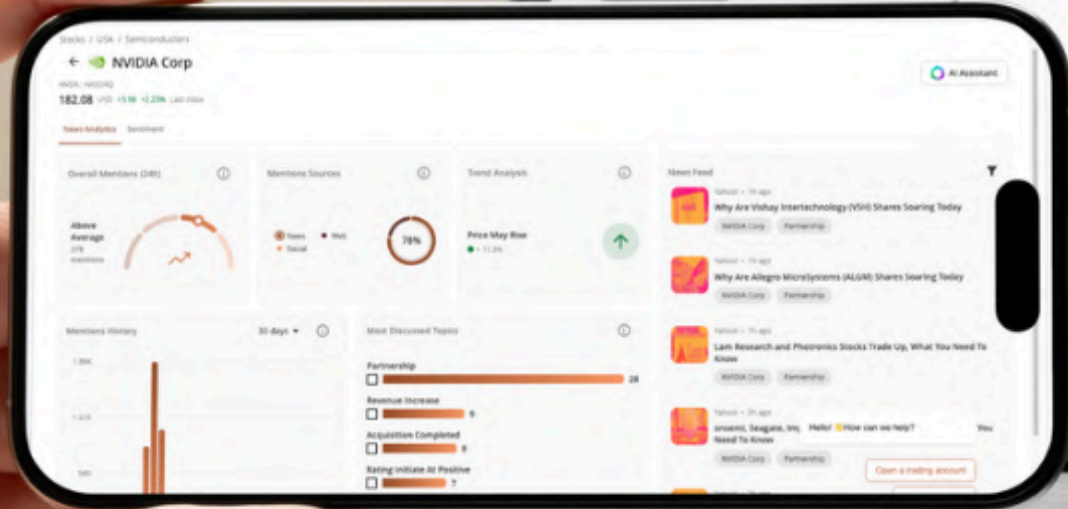

MARKETS NEVER SLEEP®

One Dashboard All Tools Combined

Stay updated with live market coverage from reliable news sources, blogs, and social media — all conveniently presented in a single, organized view.

Smarter Decisions with Sentiment Signals

Leverage real-time market sentiment to understand trader positioning and make more informed, data-driven decisions.

Daily Market News

Receive daily market updates straight to your inbox every morning, helping you stay ahead of trends and make informed trading decisions.

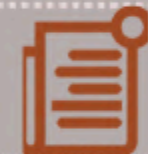

The screenshot shows the CMS Daily Market Insights report for December 12, 2025. It features a header with the CMS logo and the tagline 'Your Trading Starts Here'. Below the header, there is a section titled 'DAILY MARKET INSIGHTS' with a date of December 12, 2025. The main content area includes a paragraph of introductory text, a list of market indicators (EUR/USD, GBP/USD, Gold, Dow Jones (CME), Nasdaq 100 (CME), S&P 500 (CME), Crude Oil (WTI), Apple, Tesla, Nvidia), and a note about market volatility. A prominent orange arrow graphic is accompanied by the text 'Your Trades, Your Profits 0% Commission' and 'Register Today and Start Saving'. The bottom section provides a detailed analysis for EUR/USD, including pivot points, preferences, alternative scenarios, and a comment. A technical chart for EUR/USD is shown at the bottom, featuring MA 20 + Bollinger Bands, MA 50, RSI, and SMA indicators.

That's why we provide every client with access to our extensive Trading Academy and professional Trading Tutorial materials. This includes over 90 high-quality training videos, audiobooks, and e-books, all crafted to empower you to trade more intelligently, swiftly, and confidently.

Service Solutions

FIX API Solutions

CMS Financial offers a full FIX API solution which can link to MT5 or any other trading platform, along with a free coverage account.

CMS Financial Liquidity

CMS Financial has access to a large pool of liquidity from global market participants, which results in client benefiting from fair pricing & transparent trade execution.

Powered by GlobXpay

Cpay is CMS Financial's innovative lifestyle and payment solution, powered by Mastercard and GlobXpay.

It connects your trading account with everyday spending, offering seamless deposits, withdrawals, and flexible payment methods – all through a single, easy-to-use platform.

Global Lifestyle Benefits

From **luxury hotels** and seamless travel bookings to **global shopping** and **world-class entertainment** — your CPay Mastercard unlocks a universe of privileges with one card.

Wherever you go, enjoy effortless payments, exclusive offers, and the freedom to trade, spend, and experience the world without boundaries.

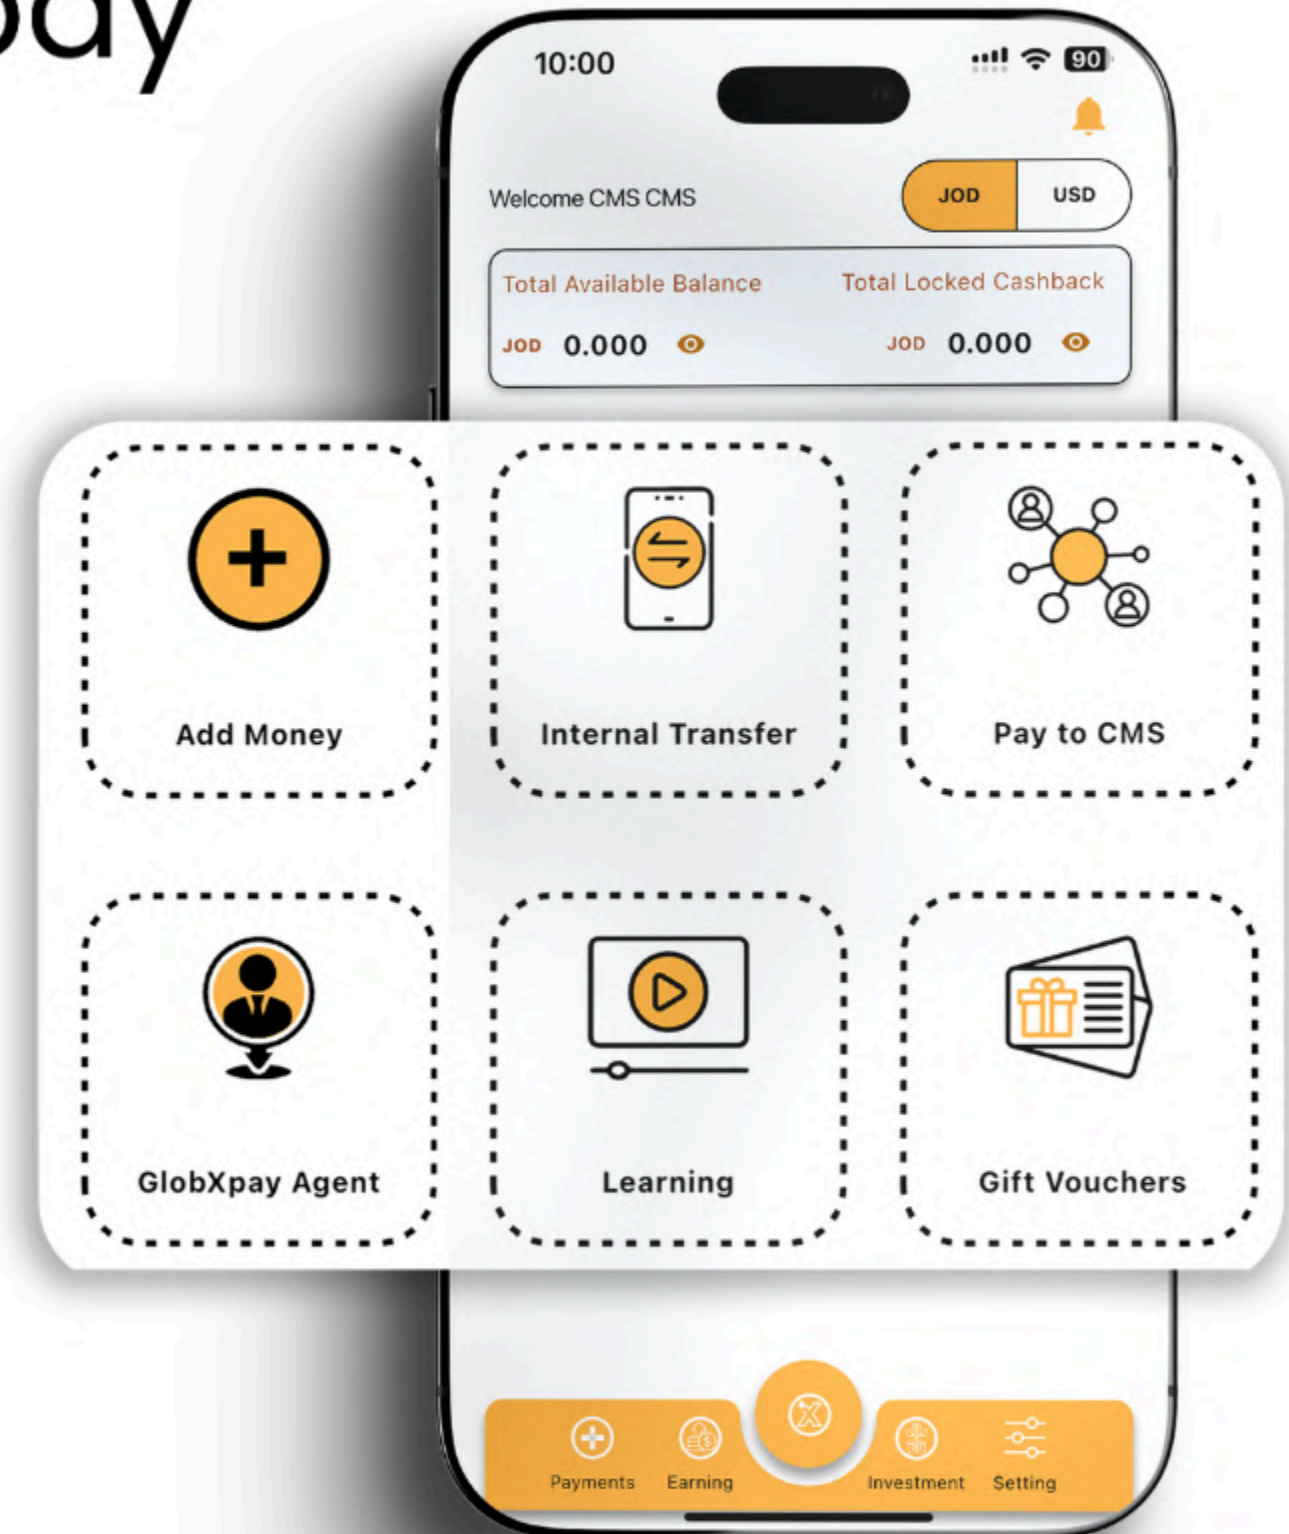

Main Advantages Cpay

Direct Trading Integration – Deposit and withdraw funds between your Mastercard and CMS trading account effortlessly.

Multiple Payment Methods – Supports 8 convenient funding options, including Apple Pay.

Digital & Physical Cards – 3 premium tiers, each offering benefits and lifestyle privileges.

Seamless Onboarding – Quick, intuitive, and fully digital experience.

CMS Financial, a broker regulated by the **UAE Capital Market Authority** (CMA), offers clients an innovative feature – the ability to fund their trading accounts directly using their **CPay Mastercard**.

This seamless integration redefines convenience and speed – allowing traders to move funds instantly, securely, and without intermediaries.

Backed by the trusted name of CMS Financial, this innovation combines regulatory strength with next-generation fintech, giving traders a faster, smarter, and more connected way to trade.

Legal Disclaimer:

The Card is issued by GlobXpay under the Mastercard license and in compliance with its license authority's regulations. The terms and conditions of GlobXpay and Mastercard International will apply regarding eligibility, acceptance, issuance, and usage policy. The cardholder acknowledges that Mastercard's global regulations regarding prepaid cards will be implemented. CMS only acts as an application service provider to facilitate card requests for its eligible customers and is not a licensed card issuer. All card funds are held by the licensed issuer (GlobXpay) in accordance with applicable safeguarding regulations. GlobXpay is required to conduct due diligence, identity verification, and transaction monitoring to comply with AML/CTF laws. GlobXpay may be required to freeze, block, or decline transactions in compliance with regulatory or court orders. Card services may be restricted or suspended due to compliance requirements, sanctions, or law enforcement directives.
